Re: United States v. Camilo Rebolledo-Duque
07 Cr. 880(PAC)

Your Honor:

On the government's consent (by Marissa Molé, Esq., AUSA, Tel. 212 637-2275) and for reasons related to but not identical to those set forth in the application sent¹ to Your Honor today by Todd M. Merer, Esq., counsel to our client's co-defendant Jose Recaute Cobo, we respectfully request that Mr. Rebolledo-Duque's sentence due to be imposed May 12, 2008, also be adjourned to no earlier than June 10th as our client is scheduled to "safety valve" proffer to the government on May 13th and it often takes a bit of time for the government to assess a defendant's veracity and decide whether or not to recommend safety valve relief.

We believe that our client is not prejudiced by this application because he has been in custody since late August, 2007, and the estimated advisory Sentencing Guidelines are 70-87 months.

Respectfully,

Roland Thau
Staff Attorney

¹ I enclose copy of Mr. Merer's letter as I am told by your Mr. Ovalles that chambers didn't receive it, no doubt because it was probably faxed to 805-6305 instead of 805-6304.
